Dear Parents and Dancers,

Here we are... the last week of dance 2012-2013. It has been a productive and fun year filled with lots of friendship and great dance moments. I have seen our dancers red faced and sweaty and loving that dance is hard work. I have watched them laugh, hug, scream, and have the best of times together in and out of class. It is heart warming to see how much they enjoy being at eMotion. I love it and I especially love them! My heart is always full during this time as I watch our high school girls move into dreams fulfilled. We are excited for them to dance for their schools, but we are so sad to see them go. We hope they will remember their eMotion family and visit often and take technique classes.

Have lots of fun this summer! It is always shocking how quickly it goes and we are back together again for another wonderful year..

Lots of love, Julie Brown

## Eat Dinner at the Year-end Concert!

We are grateful to the Hillcrest and the Drill Team who are helping to check-in and organize our costumes during the concert. It will be so nice to not have to wait in lines after the concert. In exchange... we are inviting them to earn money for the Hillcrest Parent Group Fund. Please support them by pre-ordering pizzas. They will be "hot & ready" for you after the first half at 6:30. Pay at the desk or sign up and pay at dress rehearsal. \$10 per pizza.

## Concert DVD's!

Enjoy the concert and leave the filming to a professional. Pay at the desk or at the dress rehearsal \$15 each (that's a bargain!)

## Year-End Concert

**Free concert!** Invite friends & family!

All intro, tap, ballroom, hip hop, ballet choreography and company classes will be performing in the Year-End Concert! The show is split into 2 halves. The first half is at 5:00 and the second half is at 7:00. Most younger dancers are only in one part of the show but older dancers are in both.

See dress rehearsal schedule- **Page 2**  
See program order - **Page 5**

## Costume Check-In!

We have given lots of thought to how we can best organize our costume changing areas and check-in process for this concert. Please be aware of our new procedures.

1. After dress rehearsal, all bins will remain at the school overnight in the assigned company areas.
2. Bring a dance bag or tote to carry shoes and other clothing in for Friday and Saturday.
3. Bins will be kept and stored for next year. (We won't ask you to buy bins in the future)
4. Consider donating your bin to the studio as a going away gift if you are leaving. It would make this new hauling and organization process go smoothly.

## Dress Rehearsal June 7th

Arrive at Midvale Middle School at the time listed below. Bring your costume! You do not need to do hair and make-up. Bring normal clothes to wear home because all dancers (besides intro dancers and boys) will leave their bins in the dressing room to be ready for the next day.
