Dear Parents and Dancers,

This is the time of year at the dance studio that we recognize just how far we have come. Our dancers have worked hard and our teachers have skillfully planned classes that have helped them reach new levels of artistry and technique. We are so proud of these accomplishments. Progress is evident in class, at competitions and performances. Although it is our goal that our dancers have a happy, self-esteem building experience filled with friendship and fun... we are serious about training talented dancers. I know you will agree that our teachers are the best to be found. As we approach our last four weeks of this dance year, we hope you will take advantage of every minute. We are pushing to achieve our program goals and eager to prepare dancers for tryouts. Thanks for being part of the eMotion family as you each mean so very much to us.

Love, Melanie

## Attendance

All dancers need to be committed to the success of their class by giving 100%. This means dancing hard and showing up on time. Only 4 more weeks till the Concert! Don't miss class! This is our biggest and most important performance of the year!

## Costumes

We are implementing a new system for costume check-out/check-in this year! It will make costume check-in much more organized and make the concerts less hectic!

All costumes must be checked out and signed for at the studio by a parent. (Dancers age 12 or older may sign for their own costumes)

All costumes must be brought back to the studio during one of the **MANDATORY** designated costume check-in times. Costumes will no longer be turned in at the concerts. If you can not make it to the check-in time, you must schedule a time to check-in your costumes ahead of time. You will be charged for any missing or damaged costume pieces.

Save any plastic zippered bags from your linens and donate them to the costume closet!

## Peter Pan Scenery

We need fake trees and bushes to use for scenery in Peter Pan. Let the desk or Julie know if you have anything you can loan us!

## Peter Pan Practices

Our ballet teachers and dancers are working so hard on Peter Pan, which will be Act 3 of our Year-End Concert. We will need to have practices and full run throughs on **May 16th & 17th**. It will be so important for our dancers to practice all together since it will be so involved.

Look carefully over the schedule! You have 1 or 2 practices with just your section, plus everyone is involved in the full run through on Saturday from 2-4 PM. Please arrive at the studio 15 minutes early to get ballet shoes on and stretch! Ballet dress code applies!
