Dear Parents and Dancers,

Welcome to a wonderful year of dance at eMotion! It is a fun time of year as we meet new friends, set goals and look forward to fresh choreography and lots of new skills with the best teachers around! How lucky we feel to have such an extraordinary teaching staff who are the best in the business. They have high expectations for a year filled with progress. Our dancers are excited and seem determined to do their very best! As a director, that is what brings the most joy to me. We love our dancers and we love our teachers! It is going to be a phenomenal year... that is the goal I share with all of you. Together we can make eMotion the very best by supporting each other and personally contributing to the positive energy we feel in the studio. Work hard dancers and be kind to each other. Push us hard teachers and keep inspiring us. Get us to dance on time moms and always encourage us to do our very best. I know I am eager to do everything in my power to make this year at eMotion the very best yet!

Love, Melanie

Even if you came to a meeting the day of company try-outs, this meeting will go over new information! ## Registration Forms

All dancers need to fill out a new registration form each year and company dancers must turn-in their signed commitment contract. Check during parent meetings to make sure you have turned them in!

All concert, costume and concert fees will be split in 5 equal payments that will be paid each month from October-February. Get more info at the parent meetings!
